### **FIND TIME**

Ask yourself: Do you ever find time for the work of God? Be a good steward and make the exciting discovery of time for yourself. No matter how busy you think you are, you can find time if you try!

There is a wide choice of things which you can do for God and neighbor, in and through your church community--if you have the good will. With goodwill you also will find the necessary time for such projects, even though you may have to cut and pare in other directions

## 15th Sunday in Ordinary Time

One of the classic images in a catalogue of stained glass art is that of the Good Samaritan. Along with the prodigal son, and Jesus blessing the children, the Good Samaritan is one of the most commonly reproduced artistic scenes. Within 125 years of the first printed English Bibles the term "good Samaritan" came to have the figurative sense referring to anyone who helped a stranger in distress. Interestingly, the biblical text never uses the word "good" to describe the Samaritan. He is referred to as "neighbor" to the man who fell victim to robbers. Yet if someone refers to a person as a Good Samaritan, we know instantly what is meant.

As we've all heard before, Samaritans were considered outcasts by Jews at the time of Jesus.

Because they worshipped on Mt. Gerizim rather than in Jerusalem there were tensions between Jews and Samaritans that even escalated to violence that had to be quelled by the Roman occupiers. So it was a very pretty picture when the lawyer who questioned Jesus finds himself having to admit that it was the Samaritan who treated the robbers' victim with mercy.

What is our own understanding of who is our neighbor in the present day? The parable is such an enduring tale that its meaning has slipped into our common language. But that has happened at the expense of the story's punch line, and it is one that packs a real punch! Who are the outcasts or the despised in our day? What class of people have we found it difficult to accept? Or who might we find it easy to denigrate? The homeless? Immigrants? Muslims? Someone else? What if they were the Samaritan? Would we love the story as much if Jesus asked us today, "Which of these, in your opinion, was neighbor?" How would we answer?
