STEWARDSHIP – In Jesus' parable of the Unjust Steward, we encounter a financial manager who has wasted his master's wealth and faces dismissal from his position. To overcome the crisis facing him, the steward reduces some very considerable debts owed by poor neighbors to his master in order to help them out. Though the steward has sinned against God and his master by squandering what belongs to someone else, both the prudent way in which he goes about resolving the crisis coupled with relieving people who are in need can be seen as a way to better steward the gifts entrusted to us by God. Although good stewards today acknowledge that they may never use their God-given gifts in a way that completely conforms to the demands of the Gospel, a commitment to using their gifts with prudence and for the purpose of helping their neighbors wins God's favor.

The 40th Anniversary of the establishment of Sokol Greater Cleveland will be commemorated with a celebration on Saturday, October 8th. Cocktails followed by a short program, then dinner and dancing. assembly" Psalm 22

New singers are welcome to join our choir (schola). Rehearsals begin this Wednesday at 7 pm in the church. It's time to give it a try! Our choir specializes in singing the Mass propers. These are special scripture passages assigned to each Mass, and the musical settings use the Gregorian chant style that always presents a holy reverence. These gentle chants have a subtle way of expressing emotions from joy to sorrow, peace and anxiety, all with the piety suited to the house of the Lord and prayer.

Singers will find our choir experience an active environment where participation in the liturgy, and friendships can reach a deeper level. For details call Ralph Bednarz 216-641-7988 or ralphbednarz@hotmail.com.
